V55

100% innovative, unique model: MODUL'SPACE®

Model
Patented

Home-like comfort

- Large modular garage to hold 2 bikes
- Large living room 4 guests
- Large AES refrigerator 133 L
- Genuine separate shower/ XL shower room
- Wardrobe MODUL'SPACE®
- Linen cupboard at the bed footboard

Large wardrobe MODUL'SPACE®, a Rapido patented innovation.

This large wardrobe is retractable and frees up space in the shower by sitting above the bed.

At night, it can be put back in the shower space to free up the sleeping area.

6,36 m x 2,05 m

2021 New

Long twin beds and DUO'SPACE bathroom

Large interior space

- 2 twin beds that convert into an XL bed
- Large living room 4 guests
- Day/night dividing curtain
- Large AES refrigerator 133 L
- The DUO'SPACE bathroom with swivelling partition optimises the space
- Large wardrobe
- Modular storage area/long item storage
- Reinforced rear suspension

6,36 m x 2,05 m

New DUO'SPACE bathroom: no compromise on comfort.

The RAPIDO V68 from our 2021 Collection features a completely redesigned bathroom.

The clever new DUO'SPACE bathroom boasts a partition that swivels to create a toilet fully separated from the shower area or a shower with all the space you could need for your feet and shoulders.

Radio controls on steering wheel	RHD Special	1

When purchasing a RAPIDO, the unladen weight includes the weight of the vehicle's standard equipment. The unladen weight of vans is determined in compliance with current legislation and includes the weight of the vehicle in working order, driver (75 kg), gas bottle, fresh water (50 L) and fuel tanks filled to 90% of their capacity with a tolerance of +/-5%. All of our vehicles are certified in accordance with Regulation 1230/2012. It is therefore the responsibility of the user to adjust the load and the number of passengers on board according to the permissible GVW, the payload and the weight of any additional equipment he installed or has had installed in the vehicle.

* Overall height = 445 mm with HEAVY chassis and/or 16" wheels

** Fresh water tank can be filled up to 110 l, which results in a lower payload.

*** 140 hp : 58 kg, 160/180 hp : 15 kg

**** RHD Special = Aluminium grey (no other colour available)

a / b : See back page

RHD = RIGHT HAND DRIVE special pack (UK, Ireland and Newzealand customers only)

RIGHT HAND DRIVE *Special pack*

With RAPIDO make sure you won't miss a thing

Especially for our customers in UK, Ireland and New Zealand we have created the most comprehensive equipment level ever, and combined it all into a new "Right Hand Drive special" pack*. It contains options improving your driving safety, as well as a great number of elements enhancing design and everyday comfort – we want to make sure that you really feel at home in your RAPIDO!

RAPIDO Vans of the 2021 collection based on RHD chassis come with particularly complete equipment, including :

SAFETY

- ✔ Traction+ with Hill Descent Control

COMFORT

- ✔ Carpet kit (cab and living area)
- ✔ Oven
- ✔ KENWOOD® radio controls on steering wheel

DESIGN

- ✔ Leather steering wheel and gear knob
- ✔ Chrome-ringed instruments
- ✔ Aluminium grey metallic paint (Grey 611)

RAPIDO VAN PACK (OPTION)

Cruise control with speed limiter
ESC including ASR (Anti slip regulation), ROM (Roll over mitigation) and hill holder ^c
Manual cab air conditioning
Height-adjustable Comfort cab seats with swivel base and 2 armrests
Front bumper painted in bodywork colour
Automatic Duo Control gas changeover system
DAB KENWOOD® multimedia system with 6.2" screen
Reversing camera with night vision
2nd remote keyless entry control (RKE)
Side door with flyscreen

*See details per model in the technical guide. All mentioned options are included in the vehicle price for Right Hand Drive models. The weight of these options is detailed in the technical specifications, and not included in the GVW – it therefore must be deducted from the payload.

SAFETY PACK (OPTION) 1 kg

Emergency braking system: Detects obstacles in front of the vehicle, alerts the driver and triggers autonomous emergency braking

Centre line crossing alert: Detects when the vehicle is leaving its lane and issues an audio and visual warning

Smart headlights: Automatically recognises vehicles on the road to avoid dazzling them with full headlights

Road sign recognition system: Displays authorised speed limits and no-overtaking zones on the dashboard screen

Rain and light sensor: The rain sensor triggers the windscreen wipers and adjusts their speed. The light sensor automatically activates dipped headlights

PACK CONTROL (OPTION) 1 kg

Electric fold in/out wing mirrors

TPMS: Automatic tyre pressure monitoring system

Blind spot detector and Rear Cross Path Detection

- a : **Traction+**: On mud, snow, sand and grass, it removes drive from the sliding wheel and redistributes it to one with better grip.
 b : **ECO PACK**: Stop & Start + smart 200 Amp alternator + electronically controlled fuel pump.
 c : **ESC (Electronic Stability Control)**: Constantly controls the vehicle's handling (wheel movement and direction) and, if necessary, individually brakes wheels or reduces engine power to reduce speed.
