

LUXURY SHOULD MEAN MORE CHOICE

RAPIDO

VANS | COMPACT LOW-PROFILE | COMPACT A-CLASS | LOW-PROFILE | A-CLASS

DEAR MOTORHOME ENTHUSIASTS,

Since designing the very first RAPIDO motorhome, the Randonneur 410, we have continued to perfect our models by paying close attention to our customers' feedback and needs.

Today, RAPIDO is an iconic RV brand and we are proud to offer our customers such a wide range. From fitted campervans to A-Class motorhomes with double floors, low-profile models and compact A-Class models, our customers are spoilt for choice.

Our 2025 collection marks a new chain in our DNA. By unveiling our new, completely redesigned DISTINCTION range on a new base vehicle and with an unrivalled level of finish, we once again prove that RAPIDO supports our customers in all their getaway dreams.

NEW DISTINCTION

A COMPLETELY REDESIGNED RANGE

The flagship of the RAPIDO range has had a make-over in the 2025 collection with four new models. Available in two lengths (7.54 m and 8.15 m) on two different chassis bases, it's hard to choose between them.

FEEL AT HOME IN YOUR DISTINCTION

The brand new redesigned NACARAT style brings the interior to life in your new DISTINCTION. It features noble materials and unrivalled finishes. You'll never want to leave after getting comfortable in your cosy haven.

THE BEST OF DISTINCTION, NOW WITH MERCEDES

Luxury should quite simply deliver as much comfort while parked as while driving. Our new DISTINCTION A-Class models now sit on a MERCEDES Sprinter base vehicle and offer a much easier driving experience. With its completely redesigned bodywork, this motorhome is sure to turn heads while driving and parked.

- Living room speaker for greater sound quality when driving and parked

For the complete equipment list, please refer to the technical manual available at the end of our digital catalogue, which you can view by scanning this QR code.

V55: 100% INNOVATION

The V55 is a unique model in the campervan world. It boasts all the comforts of home thanks to its large swivelling MODUL'SPACE® wardrobe, which is a RAPIDO patented innovation. This large wardrobe can rotate out and frees up the shower space by sitting above the bed. At night, it moves back into the shower space to free up the sleeping area.

V55

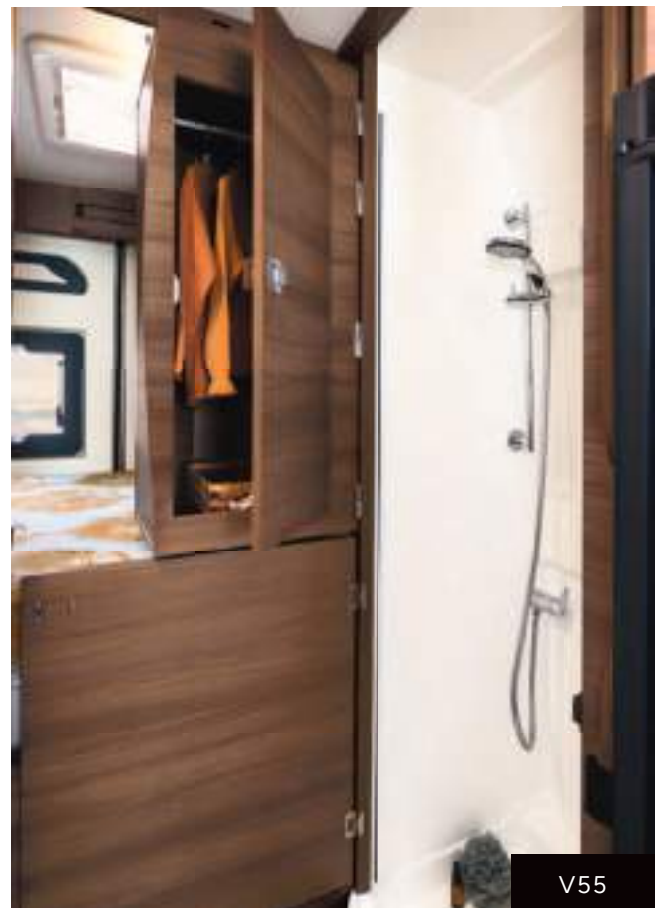

V55

V65XL: JACK-ASSISTED DROP-DOWN BED FOR 4 BEDS IN THE BLINK OF AN EYE!

The V65XL features a jack-assisted drop-down bed under its 2.88-metre high ceiling. When night falls, this double bed can be set up in an instant so you can travel as a group of four in complete comfort. Thanks to its large washroom and patented MODUL'SPACE® system, you can enjoy privacy while travelling with family and friends.

V68: GENEROUS INTERIOR SPACE

The V68's onboard space is optimised thanks to its DUO'SPACE washroom. The cleverly-designed DUO'SPACE washroom features a partition that swivels to create a toilet fully separated from the shower area or a shower with all the comfort and space you could need for your feet and shoulders.

- Living area door with 2-point locking, fixed window and inbuilt bin
- Living area door flyscreen
- Automatic gas inverter
- Second remote keyless entry control (RKE)

A CLEAR IDENTITY

The winds of change are blowing through RAPIDO's Series 6F low-profile models. You'll love the appearance of their low-profile hood which gives them a distinctive style.

606F

606F

CRAFTED EXTERIOR

The SKYVIEW panoramic roof provides a sporty look as well as unrivalled natural light inside. It is fitted with a handy electric defroster for unmatched comfort. And its rear panel with designer pillars is sure to attract admiring looks on the road.

ELEGANT INTERIOR

Inside, you can enjoy unequalled style by selecting between our LUCEO and NACARAT styles and our PALMA and NOUMEA* upholstery, which are included as standard.

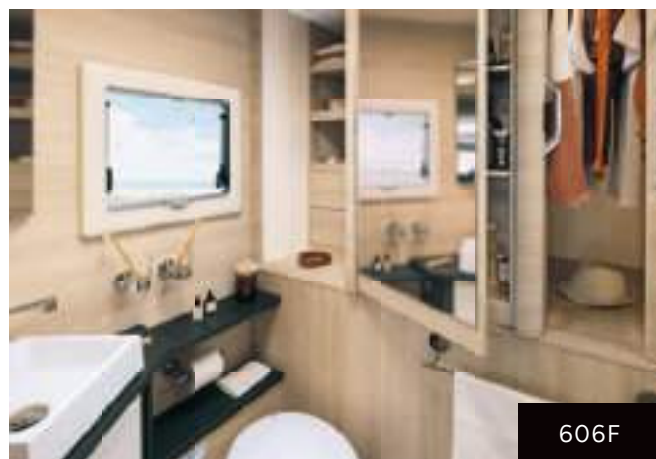

WITH OR WITHOUT DROP-DOWN BED

Configure your Series 6F however you like. The electric drop-down double bed is available as an option for all models (standard feature for 606F). This gives you four berths in your vehicle.

* The NOUMEA and PALMA upholsterys are determined by the furniture style selected: NOUMEA with LUCEO and PALMA with NACARAT.

STORAGE DOUBLE FLOOR AND AL-KO CHASSIS: A WINNING COMBINATION

The RAPIDO pass-through storage double floor is innovative with its external access and wide openings which enable you to store a folding table and chairs. It also boasts all the advantages of a technical double floor, including an insulated fresh water tank, which optimises the interior layout and provides a generous amount of living space. The level floor throughout the vehicle adds to this feeling of spaciousness.

SERIE

DISTINCTION

THE BEST OF DISTINCTION, NOW ON MERCEDES

Our iconic DISTINCTION series has had a makeover and is ready to show off all of its finery. Its bodywork, featuring a curvy, streamlined exterior design, makes it stand out from all other motorhomes. This series boasts flowing, aerodynamic shapes. When you drive this motorhome, you'll be sure to turn heads.

The former M Series and DISTINCTION Series merge together to offer you the best that motorhomes can offer: superior level of fittings, unrivalled style and outstanding driving comfort.

Discover the features and specifications of our new DISTINCTION models as you browse the catalogue.

THINK BIG

Available in two lengths (7.54 m and 8.15 m) and two heights delivering up to 2.03 m of ceiling height, our DISTINCTION models have everything you could want or need.

180° JOURNEYS

Thanks to the new bodywork design and brand new dashboard, you can enjoy greatly improved visibility through the windscreen, with extra ground visibility of around 60 cm. The driver and passenger windows have also been enlarged for your complete comfort, safety and enjoyment while driving.

TRAVEL UNDER A LUCKY STAR

Our new DISTINCTION models feature a 2.0-litre 170 hp MERCEDES engine with 9G TRONIC 9-gear automatic transmission (EXECUTIVE pack for i66M and i96M; standard feature for i166M and i196M). Enjoy comfort and a robust vehicle on your next journey.

THE BEST OF DISTINCTION, NOW WITH MERCEDES

This new DISTINCTION Series offers you a choice of four models and two layouts (central bed or twin beds), with two different lengths and heights.

Rediscover our iconic layouts in 7.54 metre long models (i66M, i96M) and their extended 8.15 metre versions (i166M, i196M) with even more fittings. The VSC chassis those extended models sit on enables the double floor to have more height and also delivers more ceiling height in your motorhome for even greater comfort.

- Second 100 Ah lithium battery

- ☐ Vans, C, 6F, 8F, 80dF, DISTINCTION

SAFETY PACK

- Adaptive cruise control > 30 km/h

- Automatic braking system with pedestrian sensor

- Automatic headlights and windscreen wipers

- Lane departure warning system

- Road sign recognition system

- Driver drowsiness detection

- Smart speed assistance

- ☐ Vans, C, 6F

LED ASSIST PACK

- 100% LED front lights
- TPMS: tyre pressure monitoring system (standard on NIGHT EDITION)
- Automatic headlights and windscreen wipers

- ☐ Vans, C, 6F

ASSIST PACK**

- Adaptive cruise control with STOP&GO
- Lane departure warning system
- Traffic jam assist
- Automatic cab air-conditioning
- Induction smartphone charger
- Digital dashboard
- Leather steering wheel
- Aluminium grey finish on air vents
- 16" light alloy rims
- Automatic headlights and windscreen wipers
- Adaptive headlights
- Electric parking brake

- ☐ Vans

VISION+ PACK

- Electric, defrosting folding wing mirrors
- Reversing sensor, blind spot sensor

- ☐ Vans

KEYLESS/KEYLESS+ PACK

- Keyless start and lock/unlock
- Electric parking brake
- Electric folding wing mirrors (KEYLESS+ only)

- ☐ Vans (KEYLESS), C (KEYLESS+)

RELAX PACK

- TPMS: tyre pressure monitoring system
- Electric parking brake

- ☐ 6F (except 666F ALDE), Ci, 8F
☒ NIGHT EDITION

** ASSIST Pack available only with automatic transmission.

CHOOSE YOUR STYLE, CUSTOMISE YOUR RAPIDO!

RAPIDO's distributors have been rigorously selected for their quality of service.

UPDATED LIST OF DEALERS AVAILABLE AT
WWW.RAPIDO.FR

RIGHT HAND DRIVE *Special pack*

WITH RAPIDO MAKE SURE YOU WON'T MISS A THING

Especially for our customers in the UK, Ireland and New Zealand, we have created the most comprehensive equipment level ever, and combined it all into a **"Right Hand Drive special"** pack*. It contains options improving your driving safety, as well as a great number of elements enhancing design and everyday comfort – we want to make sure that you really feel at home in your **RAPIDO**!

The 2025 collection of the RAPIDO motorhomes based on RHD chassis comes with complete equipment, including (depending on the model)*:

SAFETY

- ✓ DRIVE ASSIST PACK (DISTINCTION)
- ✓ Fog lights
- ✓ Outside rear mirrors with double view (wide angle) (A-CLASS)

COMFORT

- ✓ SMART PACK
- ✓ Carpet kit (living area and cab)
- ✓ Oven
- ✓ Truma Combi 6EH with CP PLUS** (except ALDE)
- ✓ 3 burner kitchen hob** (except VANS, DISTINCTION, C-Series, 606F)
- ✓ 2nd AGM living area battery**
- ✓ Heated waste water tank**
- ✓ Outside shower warm/cold water**
- ✓ Rear steadies**

* See details per model in the technical guide. All mentioned options are included in the vehicle price for Right Hand Drive models. The weight of these options is detailed in the technical specifications, and not included in the GVW – it therefore must be deducted from the payload.

** Except VANS.

INFORMATION AND WEIGHTS

Weight is a key consideration when choosing your recreational vehicle (motorhome or campervan), alongside layout and design. Each motorhome has a maximum weight that must not be exceeded when driving on the road.

Scan this code for information to help you choose the right configuration, according to the weight restrictions, when selecting your new vehicle from our range.

IT'S SIMPLE TO FINANCE YOUR VEHICLE WITH

RAPIDO Group Finance* offers a comprehensive range of tailored options to finance your next **RAPIDO** purchase.

Talk to your local approved **RAPIDO** dealer to get the best deals and enjoy your recreational vehicle with peace of mind.

A LOAN CONTRACT IS BINDING AND THE LOAN MUST BE REPAYED.

ENSURE THAT YOU CAN AFFORD THE REPAYMENTS BEFORE COMMITTING TO THE CONTRACT.

* Available in the following countries: Germany, Austria, Belgium, Denmark, Spain, France, Italy, United Kingdom, Netherlands, Poland, Portugal and Switzerland.

414 RUE DES PERROUINS - CS 20019 - 53101 MAYENNE CEDEX - FRANCE - TEL. : +33 (0) 2 43 30 10 70

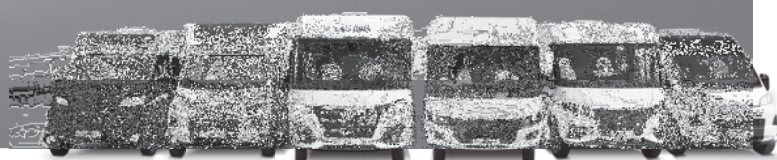

In addition to the contractual 2-year warranty for your vehicle and the manufacturers' warranties on original accessories installed during assembly, you enjoy a 8-year warranty on furniture frames and watertightness when you have your vehicle moisture-checked annually during the 7 years after it is first registered. The warranties covering all accessories installed at the dealership are provided by the original manufacturers under their terms and conditions, through the dealer. The chassis warranty is provided by the chassis manufacturer. Cost of transport is borne by the customer. Motorhomes, campervans and vans are designed for leisure use. Under no circumstances are they intended to be used as a permanent home.

Some models presented in this catalogue may be shown with optional equipment. Non-contractual photos: stylistic elements, décor and accessories not included. Since part of RAPIDO production is intended for export, the characteristics of the models may vary from one country to another; for an exact definition of the models marketed, we request you to consult your dealer. RAPIDO reserves the right to make modifications to its models without notice. Despite the care taken in the production of this catalogue, it cannot be taken as a contractual document. Your dealer will be happy to give you any further information you may require.

TECHNICAL DATA

REMEMBER

When purchasing a RAPIDO, the unladen weight includes the weight of the vehicle's standard equipment. The unladen weight of motorhomes is determined in compliance with the laws currently in force and includes the vehicle in working order, the driver (75 kg), the gas bottle, fresh water (20 L) and fuel tanks up to 90 % of their capacity with a tolerance of +/- 5 %. All of our vehicles are certified in accordance with Regulation 1230/2012.

It is therefore the responsibility of the user to adjust the load and the number of passengers on board according to the permissible GVW, the payload and the weight of any additional equipment he installed or has had installed in the vehicle.

** RHD: restrictions may apply regarding availability of chassis (engine, gearbox, GVW). Please refer to you dealer.
All data (weight / measures) are indicated with a tolerance of 5%.
Chassis: definition of the carriers different from the original commercial definitions of the chassis manufacturers.
Unladen weight: the value shown in the catalogue based on a manual gearbox and entry level engines with no towing capability.
Any accessories installed optionally or by the distributor are not included in the definition of the vehicle's unladen weight. The weight of these elements must therefore be deducted from the vehicle's payload.

TECHNICAL DATA

REMEMBER

When purchasing a RAPIDO, the unladen weight includes the weight of the vehicle's standard equipment. The unladen weight of motorhomes is determined in compliance with the laws currently in force and includes the vehicle in working order, the driver (75 kg), the gas bottle, fresh water (20 L) and fuel tanks up to 90 % of their capacity with a tolerance of +/- 5 %. All of our vehicles are certified in accordance with Regulation 1230/2012.

It is therefore the responsibility of the user to adjust the load and the number of passengers on board according to the permissible GVW, the payload and the weight of any additional equipment he installed or has had installed in the vehicle.

** RHD: restrictions may apply regarding availability of chassis (engine, gearbox, GVW). Please refer to you dealer.
All data (weight / measures) are indicated with a tolerance of 5%.
Chassis: definition of the carriers different from the original commercial definitions of the chassis manufacturers.
Unladen weight: the value shown in the catalogue based on a manual gearbox and entry level engines with no towing capability.
Any accessories installed optionally or by the distributor are not included in the definition of the vehicle's unladen weight. The weight of these elements must therefore be deducted from the vehicle's payload.

SERIE 6F

TECHNICAL DATA

REMEMBER

When purchasing a RAPIDO, the unladen weight includes the weight of the vehicle's standard equipment. The unladen weight of motorhomes is determined in compliance with the laws currently in force and includes the vehicle in working order, the driver (75 kg), the gas bottle, fresh water (20 L) and fuel tanks up to 90 % of their capacity with a tolerance of +/- 5 %. All of our vehicles are certified in accordance with Regulation 1230/2012.

It is therefore the responsibility of the user to adjust the load and the number of passengers on board according to the permissible GVW, the payload and the weight of any additional equipment he installed or has had installed in the vehicle.

** RHD: restrictions may apply regarding availability of chassis (engine, gearbox, GVW). Please refer to you dealer.

All data (weight / measures) are indicated with a tolerance of 5%.

Chassis: definition of the carriers different from the original commercial definitions of the chassis manufacturers.

Unladen weight: the value shown in the catalogue based on a manual gearbox and entry level engines with no towing capability.

Any accessories installed optionally or by the distributor are not included in the definition of the vehicle's unladen weight. The weight of these elements must therefore be deducted from the vehicle's payload.

TECHNICAL DATA

REMEMBER

When purchasing a RAPIDO, the unladen weight includes the weight of the vehicle's standard equipment. The unladen weight of motorhomes is determined in compliance with the laws currently in force and includes the vehicle in working order, the driver (75 kg), the gas bottle, fresh water (20 L) and fuel tanks up to 90 % of their capacity with a tolerance of +/- 5 %. All of our vehicles are certified in accordance with Regulation 1230/2012.

It is therefore the responsibility of the user to adjust the load and the number of passengers on board according to the permissible GVW, the payload and the weight of any additional equipment he installed or has had installed in the vehicle.

** RHD: restrictions may apply regarding availability of chassis (engine, gearbox, GVW). Please refer to you dealer.
 *** HEAVY chassis may be downrated to GVW of 3,500 kg, with reduction in registered (driving) seats.
 All data (weight / measures) are indicated with a tolerance of 5%.
 Chassis FIAT: definition of the carriers different from the original commercial definitions of the chassis manufacturers.
 Unladen weight: the value shown in the catalogue based on a manual gearbox and entry level engines with no towing capability.
 Any accessories installed optionally or by the distributor are not included in the definition of the vehicle's unladen weight. The weight of these elements must therefore be deducted from the vehicle's payload.

SERIE 80dF

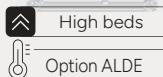

TECHNICAL DATA

REMEMBER

When purchasing a RAPIDO, the unladen weight includes the weight of the vehicle's standard equipment. The unladen weight of motorhomes is determined in compliance with the laws currently in force and includes the vehicle in working order, the driver (75 kg), the gas bottle, fresh water (20 L) and fuel tanks up to 90 % of their capacity with a tolerance of +/- 5 %. All of our vehicles are certified in accordance with Regulation 1230/2012.

It is therefore the responsibility of the user to adjust the load and the number of passengers on board according to the permissible GVW, the payload and the weight of any additional equipment he installed or has had installed in the vehicle.

	C55 AND C86
SELECT PACK SERIE C	•
SMART PACK: 16" two-tone light alloy rims, leather steering wheel, and grey finish on air vents	•
DAB PIONEER® multimedia GPS system with large 9" touchscreen and APPLE CAR PLAY/ANDROID AUTO functions	•
TPMS: tyre pressure monitoring system	•
Electric parking brake	•
Metallic cab bodywork paint: Metallic Black	•
Heated waste water tank	•
DUBROVNIK upholstery, accessories and décor NIGHT EDITION	•
TRUMA Combi 4 EH DIESEL (diesel + electricity) heating with altitude kit and CP PLUS heating control panel	•

SMART PACK

	VANS, LOW PROFILE (except C55 and C86 Night Edition)	A-CLASS (except 8066dF/8096dF and except DISTINCTION)
16" light alloy FIAT rims (+ 4.5 cm vehicle height)	•	•
Leather steering wheel and gear knob	•	•
Aluminium grey finish on air vent	•	•
Radio controls on steering wheel	-	•

SAFETY PACK

	VANS, LOW PROFILE
Adaptive cruise control > 30 km/h	•
Automatic braking system with pedestrian sensor	•
Automatic headlights and windscreen wipers	•
Lane departure warning system	•
Road sign recognition system	•
Driver drowsiness detection	•
Smart speed assistance	•

* ASSIST Pack available only with automatic transmission.

LOUNGE PACK

	C55 AND C86 (Night Edition)
Automatic cab air-conditioning	•
Induction smartphone charger	•
Digital dashboard	•

LOUNGE+ PACK

	VANS	A-CLASS AND LOW PROFILE (except C55 and C86 Night Edition)
LOUNGE PACK: automatic cab air-conditioning, induction smartphone charger, digital dashboard	•	•
Keyless start and lock/unlock + Electric parking brake	•	-
DAB PIONEER® multimedia GPS system with large 9" touchscreen and APPLE CAR PLAY/ ANDROID AUTO functions	•	•

ASSIST PACK*

	VANS
Adaptive cruise control with STOP&GO	•
Lane departure warning system	•
Traffic assist	•
Automatic cab air-conditioning	•
Induction smartphone charger	•
Digital dashboard	•
Leather steering wheel	•
Aluminium grey finish on air vents	•
16" light alloy rims	•
Automatic headlights and windscreen wipers	•
Adaptive headlights	•
Electric parking brake	•

ENERGY PACK

	C, 6F, C..i, 8F, 80dF, DISTINCTION	VANS
160 W factory-assembled solar panel	•	-
140 W factory-assembled solar panel	-	•
100 Ah LITHIUM living-area battery (with coupler, separator and booster)	•	•

ENERGY+ PACK

	C, 6F, C..i, 8F (4,4 T), 80dF (4,4 T), DISTINCTION (4,5 T)
160 W factory-assembled solar panel	•
100 Ah LITHIUM living-area battery (with coupler, separator and booster)	•
Second living-area battery 100 Ah LITHIUM (total capacity = 200 Ah)	•

PACKS (OPTION)

VISION+ PACK*

	VANS
Electric, defrosting folding wing mirrors	•
Reversing sensor, blind spot sensor	•

LED ASSIST PACK

	VANS AND LOW PROFILE (except Night Edition)	LOW PROFILE (Night Edition)
TPMS: tyre pressure monitoring system	•	-
100% LED front lights	•	•
Automatic headlights and windscreen wipers	•	•

DRIVE ASSIST PACK

	DISTINCTION (i66M/i96M)	DISTINCTION (i166/i196M)
DISTRONIC active distance assist	•	•
Automatic cab air-conditioning THERMOTRONIC (includes front windscreen wipers with rain sensor)	•	•
Navigation + road sign recognition system	•	•
100% LED front lights	•	-

KEYLESS/KEYLESS+ PACK

	VANS	COMPACT LOW-PROFILE
Keyless start and lock/unlock + Electric parking brake	•	•
Electric folding wing mirrors (KEYLESS+ only)	-	•

RELAX PACK

	A-CLASS (except AL-KO) / 6F LOW PROFILE (except 666F ALDE)
TPMS: tyre pressure monitoring system	•
Electric parking brake	•

* VISION+ Pack available only with automatic transmission.

WEIGHT (IMPORTANT INFORMATION)

Weight is a key consideration when choosing your recreational vehicle (motorhome or campervan), along with layout and design. **Each motorhome has a maximum weight that must not be exceeded when driving**. Here is some information to help you choose the right configuration, according to the weight restrictions, when selecting a new vehicle from our range.

This information is based on the definitions in the EU regulation 2021/535, Annex XIII, Section A, Part 2: Technical Specifications.

1 • MTPLM

The Maximum Technically Permissible Laden Mass (MTPLM or M) or Gross Vehicle Weight (GVW) is stipulated by the manufacturer and corresponds to the maximum authorised mass of the vehicle while being driven (e.g. 3,500 kg or 4,400 kg). It includes the weight of the vehicle, occupants, equipment and payload capacity.

Those values are listed in the vehicle's specifications.

2 • MIRO

The vehicle's Mass in Running Order (MIRO) includes the vehicle's bodywork, furniture, standard fittings as per the manufacturer's specifications, tanks filled to at least 90% of their capacity (fuel and liquid), and the fixed weight of the driver (75 kg). The permitted tolerance is $\pm 5\%$. It is recommended that you keep that tolerance in mind while configuring your vehicle and choosing optional fittings, in order to comply with the minimum payload requirement (see point 4 below).

3 • NUMBER OF PASSENGERS

The number of seats that may be occupied while driving (excluding the driver) is determined by the manufacturer on delivery according to the selected vehicle configuration and resulting payload capacity.

4 • PAYLOAD

For motorhomes, European legislation requires a minimum payload equal to 10 kg multiplied by the total sum of the maximum number of passengers plus the driver plus the total length of the vehicle in metres.

For example, for a 7 metre-long motorhome with 4 driving seats (including the driver), the minimum payload would be $10 \text{ kg} \times (4+7) = 110 \text{ kg}$.

5 • WEIGHT OF OPTIONS

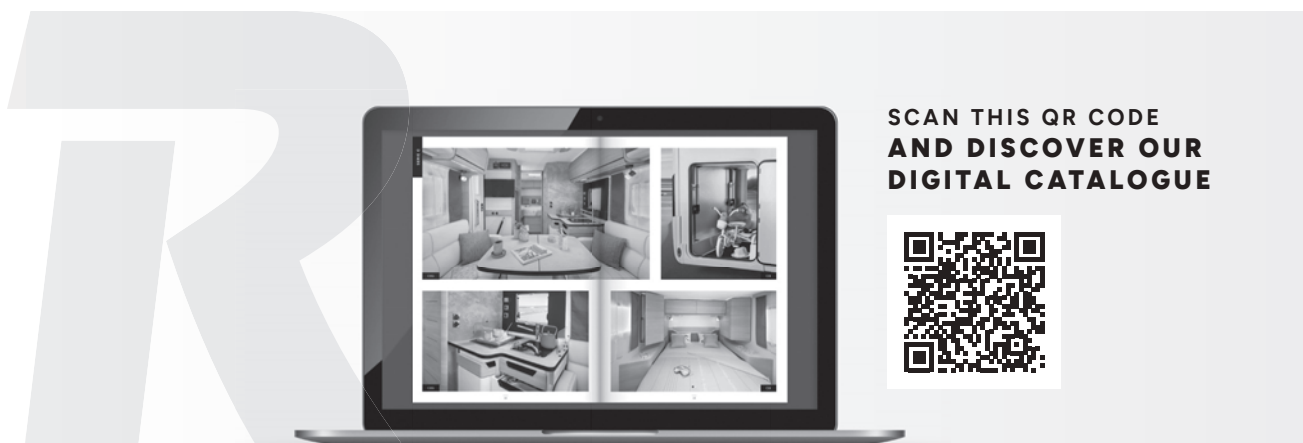

The weights stipulated by the manufacturer for optional fittings are values determined by the model's configuration and form the maximum weight of fittings that can be ordered as optional extras. These weight limitation values are specified in order to ensure that sufficient payload capacity remains for loading the vehicle (luggage, plates and bowls, etc.).

If the total weight of selected options exceeds the maximum value set by the manufacturer, the number of driving seats will need to be reduced or optional fittings removed by the manufacturer.

Other accessories installed by the dealer or the owner are not considered original optional fittings and do not fall under the manufacturer's liability. Therefore, their weight is accounted for as part of the payload.

Scan this code for information to help you choose the right configuration, according to the weight restrictions, when selecting your new vehicle from our range.

In addition to the contractual 2-year warranty for your vehicle and the manufacturers' warranties on original accessories installed during assembly, you enjoy a 8-year warranty on furniture frames and watertightness when you have your vehicle moisture-checked annually during the 7 years after it is first registered. The warranties covering all accessories installed at the dealership are provided by the original manufacturers under their terms and conditions, through the dealer. The chassis warranty is provided by the chassis manufacturer.

Cost of transport is borne by the customer. Motorhomes, campervans and vans are designed for leisure use. Under no circumstances are they intended to be used as a permanent home.

Some models presented in this catalogue may be shown with optional equipment. Non-contractual photos: stylistic elements, décor and accessories not included. Since part of RAPIDO production is intended for export, the characteristics of the models may vary from one country to another; for an exact definition of the models marketed, we request you to consult your dealer.

RAPIDO reserves the right to make modifications to its models without notice. Despite the care taken in the production of this catalogue, it cannot be taken as a contractual document. Your dealer will be happy to give you any further information you may require.
