PRODUCT UPDATES 2026

- **New KRONOS/HORON range completely renewed** (like current Kronos/Horon Fit)
- ISOFIX as standard on all ranges
- New overcab design
- Slight restyling of Kronos/Horon Fit and Zefiro/Magis exteriors (door frames, garage, etc. become black)

NEW KRONOS/ HORON

NEW HORON

NEW KRONOS

NEW HORON EXTERIORS

NEW KRONOS EXTERIORS

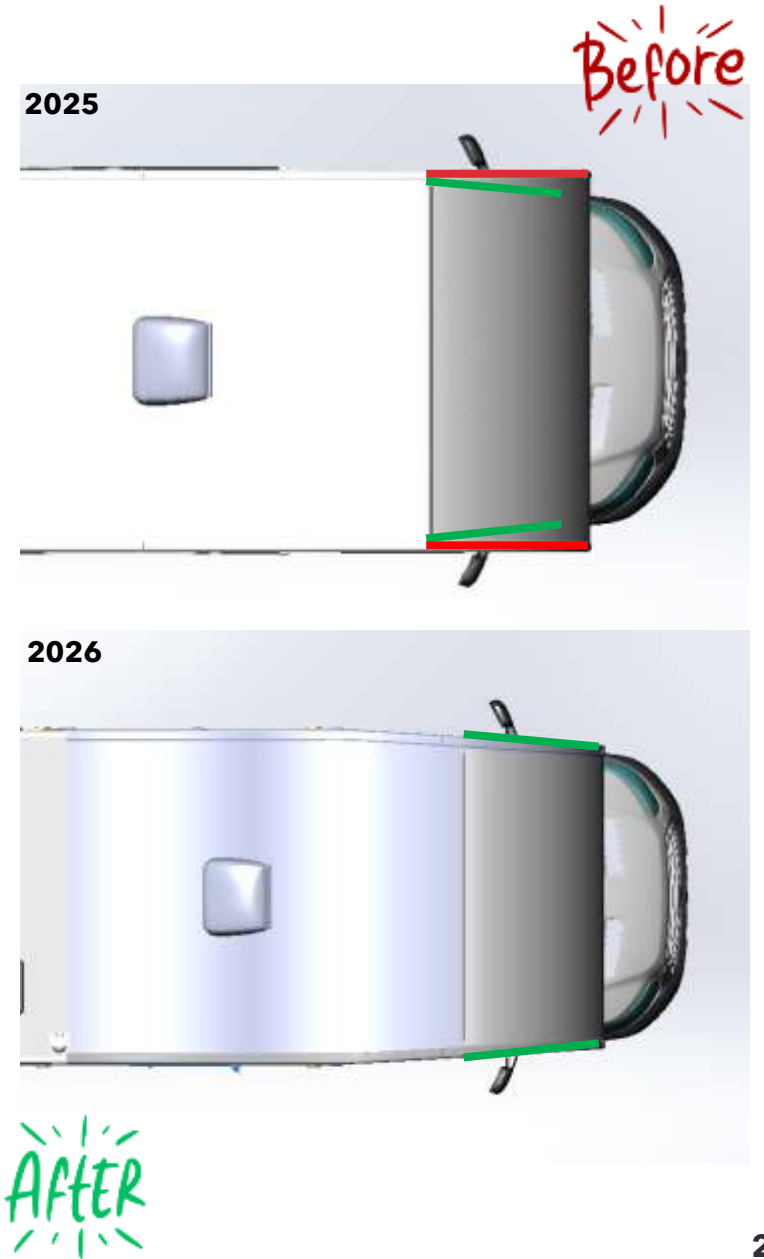

FOCUS: New overcab design

The design of the overcab is improved by realising a **more continuous profile**, which improves the aerodynamics.

FOCUS

PRACTICAL

➤ **Kronos 234 TL/ Horon 34 XT** is redesigned without the wall cabinets under the elevating bed to allow it to be driven as low as possible.

On **Kronos 277 M/ Horon 77 M XL door** with 2 locking points, window and central locking

PRIVACY

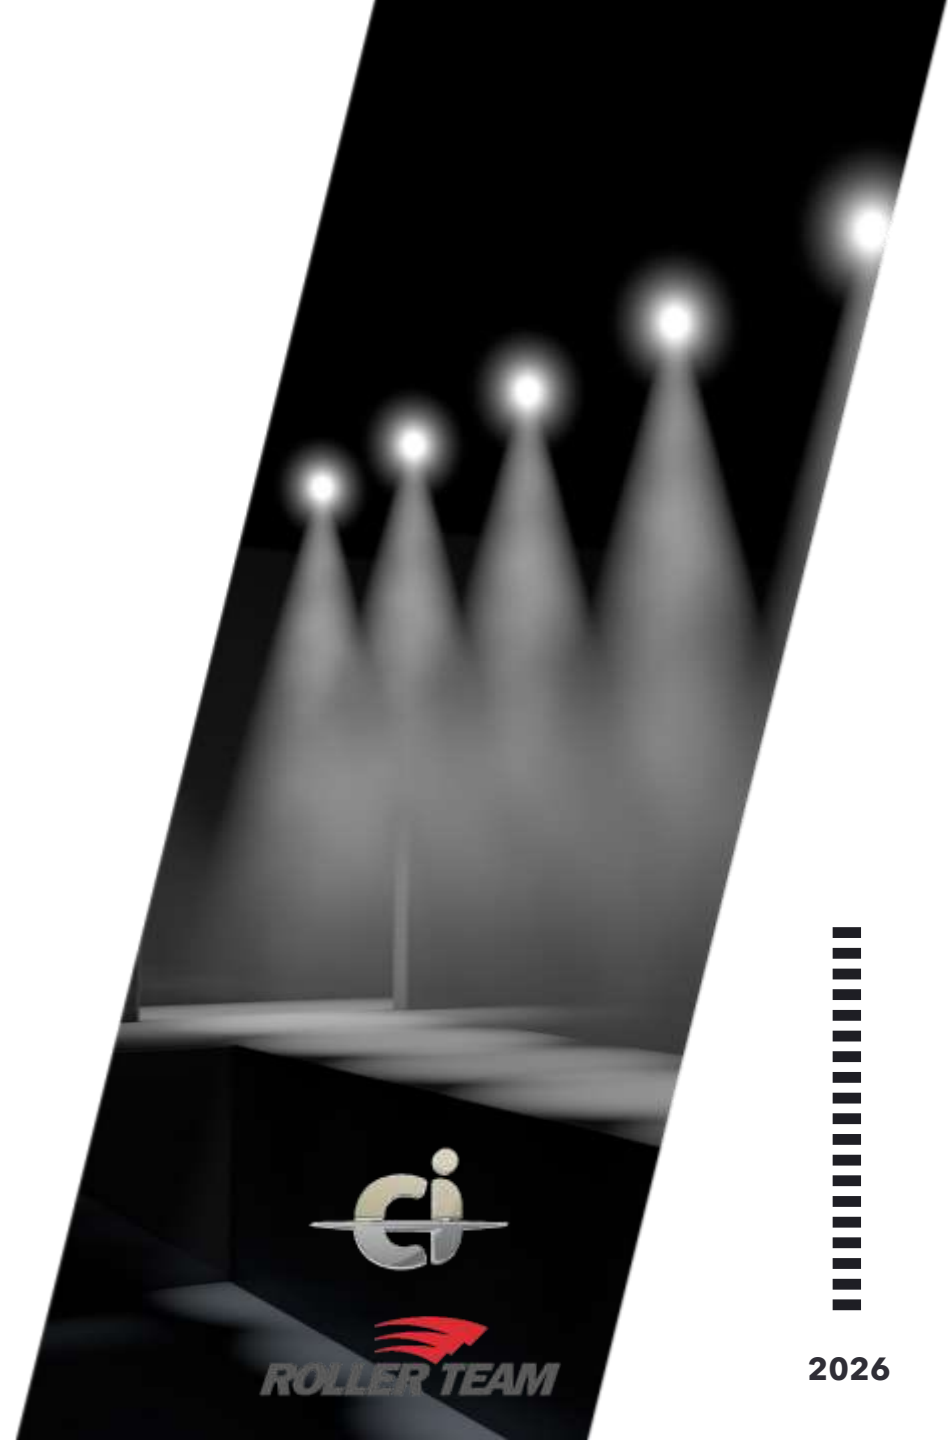

➤ New option on **Kronos 298 TL/ Horon 98 XT and 274 TL/ 74 XT**: pleated separation curtain between sleeping and living areas

FUNCTIONAL

➤ A 32" TV can be installed on all layouts of **Kronos/Horon range**.

COMFORTABLE

➤ **Kronos 234 TL and 287 TL/ Horon 34 XT and 87 XT** (face à face dinette) have a standard pillow with double function: armrest with still vehicle and headrest when travelling.

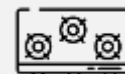

FOCUS: New layout 266 TL / 66 XT

Pass-through bathroom with fully independent toilet and shower. Large wardrobe with shelves and mirror panelling.

Linear kitchen with circular stainless steel sink and 2-burner hob. Equipped with wall-mounted spice rack and 137 l refrigerator.

Garage dimensions:
120x90 cm.

Elevating double bed:
203X135(114) cm.

Central rear double bed. USB sockets and adjustable reading spotlights. Bedside cabinets and bedside shelf.

L-shape dinette with table with horizontal and transverse movement. Possibility of converting dinette into 1 bed as standard.

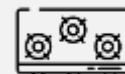

FOCUS: New layout 287 TL/ 87 XT

Separate toilet and shower, spacious wall units, mirror and window.

Linear kitchen with circular stainless steel sink and 2-burner hob. Equipped with wall-mounted spice rack and 137 l refrigerator.

Garage dimensions:
120x90 cm.

Elevating double bed:
203X135(114) cm.

Rear twin beds, possibility of joining them together to make a maxi double bed. Wooden slatted frames and breathable fabric mattresses.

Face-to-face dinette with folding table. Optional conversion into a single bed. Space optimization (??? height under the drop-down bed)

FOCUS: 290 M/ 90 M *Sport* layout

The motorhome designed for amateur or professional sport enthusiasts.

DESIGNED FOR THE OUTDOOR

Awning as standard

FUNCTIONALITY IN THE GARAGE

External multimedia socket, external gas outlet + shower in garage

GREAT LIVEABILITY

The space on board is well modulated and allows excellent roominess.

MAXI GARAGE

With the bed fully raised, the inside of the garage can be 143 cm high.

ORGANISED SPACES

Cabinets inside the garage useful for storing sports clothing and other equipment.

FOCUS: Layout **234 TL / 34 XT**

Technical Improvements

- On the new 234 TL / 34 XT the gas bottle compartment is removed from the garage, which allows the locker door to be enlarged to approximately 1750x800 mm.
- The garage locker is more spacious!
- The access door to the gas bottle is moved to the kitchen.
- The Kronos 234 TL / Horon 34 XT has Combi 4 Diesel heating as standard.

VAN PRODUCT UPDATES 2026

- **NEW Livingstone/ NEW Kyros** with interior/exterior restyling, enriched in equipment and technical improvements
- Livingstone/Kyros 6 phase out
- Livingstone Sport and Advance / Kyros Evo and Elite confirmed

NEW LIVINGSTONE/KYROS

The **New Livingstone** is the result of careful evolution in design and materials as well as in technical features and equipment.

One of the main innovations involves reducing the use of wood trim, with wood paneling being replaced from wall cabinets and vertical walls with **solid-color materials**, which not only enhance the vehicle's aesthetics, but also help create **a fresher, brighter environment**.

This update gives the Livingstone a modern and refined look while offering a more spacious and lightweight feel. For those seeking comfort, functionality and a modern style!

NEW LIVINGSTONE

NEW LIVINGSTONE

NEW INTERNAL DESIGN

Kyros

★ The presence of wood will be reduced by removing the wood panelling from the upper cabinets and vertical walls. They will switch to solid-coloured materials, giving a fresher and brighter feel to the entire vehicle.

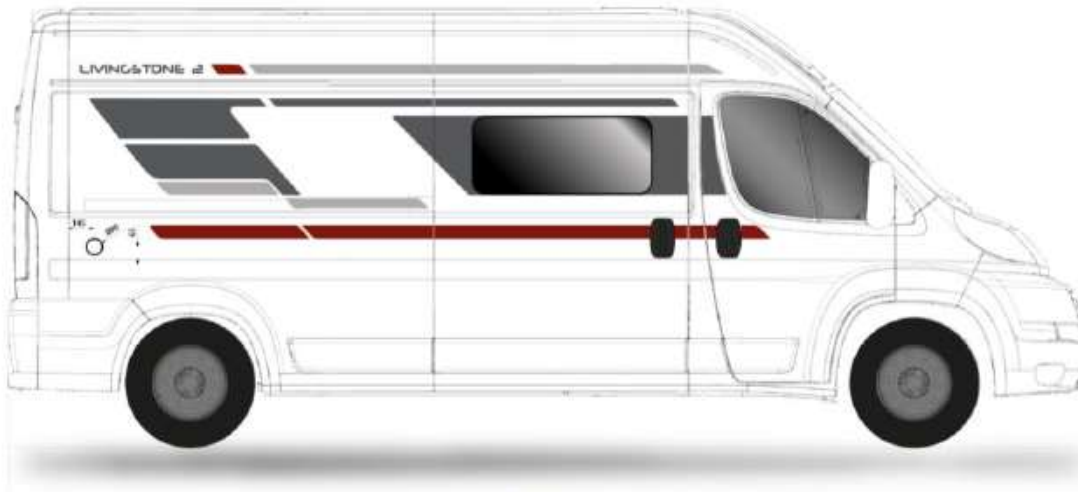

NEW LIVINGSTONE GRAPHICS

Before

RICHER
EXTERIOR
GRAPHICS.

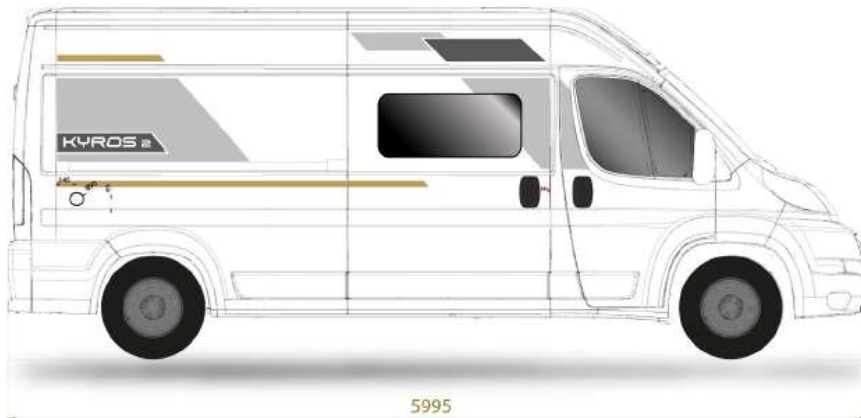

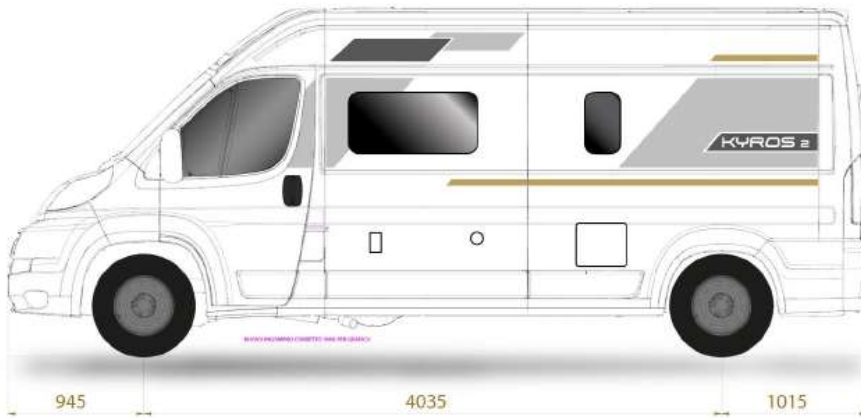

After

NEW KYROS GRAPHICS

RICHER
EXTERIOR
GRAPHICS.

NEW GRAPHICS

A “minimal” solution was adopted for the integration of windows on the rear doors.

Before

After

The large plastic frame is eliminated. A matte black graphic integrates the windows (*which remain unchanged*) into the vehicle more harmoniously.

HIGHLIGHTS

Before

AFTER

The step on the kitchen top has been eliminated. The surface of the kitchen top thus becomes a single surface, making the **furniture more linear and spacious**.

In addition, **the closet's storage capacity is left unchanged**.

The refrigerator capacity increased from 70 to 84 liters, and the aesthetics improved by eliminating the wooden frame above the refrigerator.

Thanks to the redesign of the kitchen, **access space to the living unit has also been improved**.

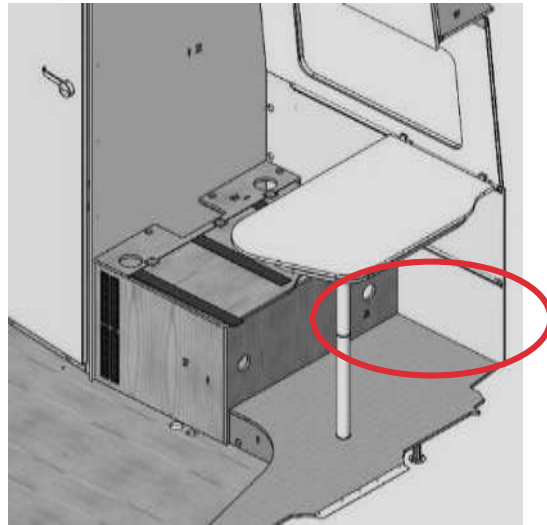

HIGHLIGHTS

Before

After

The storage box under the dinette table was eliminated, thus increasing seating comfort.

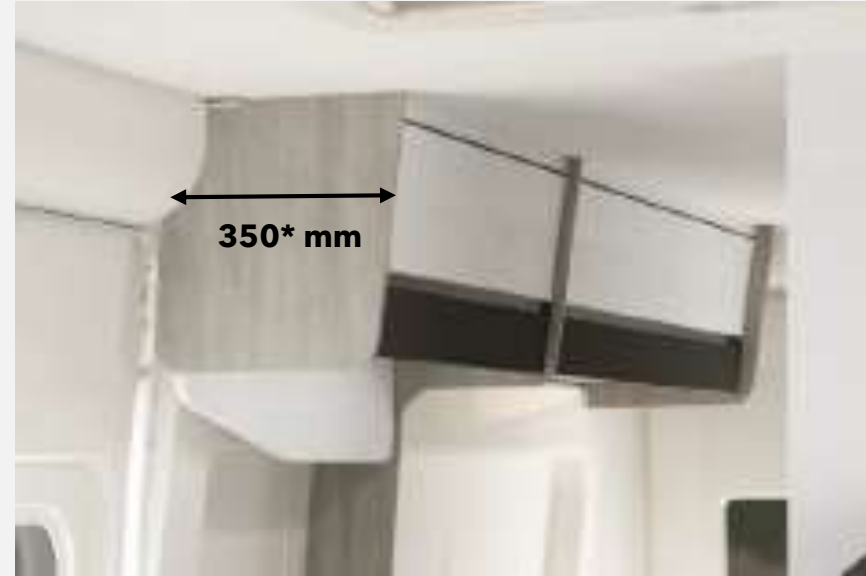

Thanks to a careful redesign of the dinette, the aisle was widened by about 9 cm.

Before

AFTER

The storage capacity of wall units in the kitchen and in the sleeping area has increased, reaching a depth of about 350 mm. The design of the wall units has also been renewed, which now feature hidden handles and LED lights integrated into the wall unit profile with "touch" switching.

* Dimension is taken at the point of greatest width of the wall unit.

The size of the bathroom sink was increased and the wall unit replaced with an open shelf. **Storage capacity is maintained but livability is improved!**

Thanks to the redesign of the rear area, which allows the full width of the van to be utilized, **the bed becomes larger.**

VAN 2 > from 1860x1420 mm to **1940x1460 mm**
K2 > from 1860x1320(1160) mm to **1940x1360(1250) mm**

NEW!

For a more comfortable feel, fabric-covered interior walls.

OPTIONAL:
EURO 6E 2.2 MULTIJET - 140 o 180 HP with
automatic transmission

OPTIONAL:
EURO 6E 2.2 MULTIJET - 140 o 180 HP with
automatic transmission

OPTIONAL:
EURO 6E 2.2 MULTIJET - 140 o 180 HP with
automatic transmission

A top-down view of a motorhome interior. The front of the vehicle features two seats facing each other. Behind them is a kitchen area with a sink and a small table. The rear section is divided into two sleeping areas, each with a bed and a storage compartment underneath. A central aisle runs through the middle of the vehicle.

OPTIONAL:
EURO 6E 2.2 MULTIJET - 140 o 180 HP with
automatic transmission
