

Kronos Fit
Kronos
Zefiro
Livingstone

A woman with long blonde hair is sitting in a black folding deck chair on a grassy hill, reading a book. She is wearing a light blue long-sleeved shirt and dark pants. To her left is the side of a white campervan with its side door open. The background shows a vast landscape with a body of water, distant hills, and a small town under a sunset sky. A red geometric line graphic is overlaid on the image, connecting the text to the campervan and the landscape.

Free to choose

Essential information to help
you choose your vehicle

A motorcaravan for everyone

Roller Team offers a wide selection of models to meet the needs of any customer. The variety of the offer involves all types of motorcaravans and their interior fittings. The offer of models, organised into ranges, is able to meet the different and growing needs of the customer with an increasingly rich product.

Always up to date

The constant technological innovation of the production processes together with a continuous renewal of the product, with cutting edge technical-constructive solutions, allow us to offer a very high quality product capable of lasting over time.

Easy to live in

The interiors are conceived and designed to be functional. Solutions that respond to everyday needs and allow you to experience every space with maximum comfort and simplicity. Environments that can be transformed by simple gestures to offer a different service, yet adapted to different needs.
